Authority: P.A. 368 of 1978, as amended
This form is for information only.

NOTE: It is your responsibility to have all required documentation sent to the Board of Optometry. Questions regarding your application can be directed to the Michigan Board of Optometry at (517) 335-0918 three weeks after the date you sent the application. Please allow 4-6 weeks processing time. Applications submitted without the required licensing fee, the applicant's signature and date will be returned.

GENERAL INSTRUCTIONS FOR RELICENSURE

1. Type or print legibly on all forms and send the original relicensure and controlled substance applications, with the proper fees, to the Board of Optometry. An application accompanied by the appropriate fee is valid for two years. If an applicant fails to complete the requirements for licensure within two years from the date of filing the application, the application and fee are no longer valid.
2. Verification of licensure from any state where you hold or have ever held a permanent optometrist license. A form is enclosed for this purpose and may be copied as needed. As most states charge a fee for this service, you should contact each state board to determine if a fee is required prior to sending them the form for completion. The Verification of Licensure form must be sent to the Michigan Board directly from the state(s) where you are or have been licensed.
3. If your Michigan optometrist license expired within the last 3 years, you must submit evidence of completion of 36 hours of continuing education within the 2-year period immediately preceding the date of your application for relicensure.
4. If your Michigan optometrist license expired more than 3 years ago, you must also submit evidence of completion of the continuing education hours specified in #3 above. You will also be required to pass the Michigan jurisprudence examination. You will be sent the jurisprudence examination after your relicensure application and fee are received.
